The current town board members can attend and participate as citizens at the annual meeting and also provide information but they do not run the meeting. **Reports:** The financial report that is approved at the Board of Audit meeting must be posted and read at the annual meeting. A written road report must be provided at the annual meeting. Other report, such as, townhall, cleanup day, beach and fire protection may be discussed if needed. **Town Levy:** The main reason for the annual meeting is to vote on the town levy—tax rate that the residents pay for the local services like road and bridges. Roads

This year has been a struggle with the amount of snow we've had . We as a township are asking residents to make the snow plowing a easier job for all of us. Please consider updating your mail box to a swing away style.(Pictured below) these can be purchased threw Isanti county hwy dept by calling 689-1870 . All new construction is requesting it and we would like to encourage this style. It makes it easier to push snow back behind the mailbox, which also makes it easier for mail carriers and you to receive mail . Supervisor Travis wood would be glad to assist you with this process (763 286 6784). The post and hardware comes as a kit . (App. \$100) please locate for utilities in the Right of Way by calling 811. If you have not received a blue address sign or it has been damaged please notify us also. Please keep garbage cans out of Right of Way also. Even with the mailbox post is a good setback.

DO NOT PUT SNOW ON THE ROAD. Pushing snow across the road or in to the road is illegal . Please refrain from piling snow in the Right of Way . The big piles are hard on equipment. We strive to keep the road clear as possible in a timely fashion. According to the MN/DOT, depositing snow in any fashion onto a public street or highway is illegal and punishable as a misdemeanor under **MN Statute 160.27** and various local ordiances which prohibit plowing, shoveling, blowing or placing snow onto public roadways.
