Mail Box - Garbage Cans - Address Signs

Please consider updating your mail box to a swing away style. (Pictured below) these can be purchased thru Isanti county hwy dept by calling 689-1870 . All new construction is requesting it and we would like to encourage this style. It makes it easier to push snow back behind the mailbox, which also makes it easier for mail carriers and you to receive mail . Supervisor Travis wood would be glad to assist you with this process (763 286 6784). The post and hardware comes as a kit . (App. \$100) please locate for utilities in the Right of Way by calling 811. If you have not received a blue address sign or it has been damaged please notify us also. Please keep garbage cans out of Right of Way also. Even with the mailbox post is a good set-back.

Dalbo Fire Chief Update

Just wanted to thank the citizens of Wyanett township for your continued support.

We are a volunteer dept. trying to do the best we can do with the funding and resources we have available to us. Dalbo Fire Department is one of 2 depts. That cover Wyanett township; Princeton Fire being the other covering the southwest portion of the township. DFD responding calls include: fire calls, car accidents, rescue calls and assists with medical calls for both Allina and North ambulance. DFD is made up of 17 members and are currently looking to recruit firefighters. If interested, contact us by phone 763-689-9807 or Facebook. Check out MNFIREHIRE also to get more info. Dalbo fire department fundraised and received grants for \$208,000 last year. We are always looking for ways to save the taxpayers money. DFD does several fundraisers and open house events throughout the year. As a fire dept. we enjoy inviting and interacting with our citizens at our fundraisers and open house events. Please consider attending our list of events at the Dalbo fire department. Picture day with the Easter Bunny 3/9 - 10am-12:30pm, Pancake breakfast & vendor show 7/21 - 8am-1pm, Bingo 10/12 @ 5:30 and Santa picture day early December. Wyanetts national night out event in August we try to have something fun for the kids also. Look for details on Facebook. Please consider bringing your aluminum cans to our bin at the Dalbo fire hall for our recycling fundraiser. DFD Bingo Night is during fire prevention week; we give out some fire extinguishers and smoke alarms during the fundraiser to promote fire safety. This is a good week to check/change the batteries in your smoke alarms and press the test button. Smoke alarms expire every 10 years, so check the date also. I encourage you to go over the fire escape plans, safe locations to meet incase of a house fire; the get out stay out plan, stope drop and roll, never play with fire, stay below the smoke, never hide for firefighters and how to call 911. Burning permits can be obtained online through the DNR or your local Fire Warden Lee Olson 612-390-3133. Please consider notifying Isanti county dispatch if you are burning a large fire or near buildings that may concern neighbors or passing traffic @ 763-689-2141 for nonemergency calls. For emergencies all dial 911. DFD would like to extend a special thank you to Wyanett town board for being so supportive of the first responding services. Wyanett town board had provided building space and a LUCAS device to ensure quicker response times and quality CPR when needed by Wyanett Residents.

Sincerely

Dalbo Fire Chief, Travis Wood
